

VILLA VITTORIO

MASSA FERMANA

BROCHURE | 2026

Stay, relax, celebrate and play at our Italian hideaway!

Our beautiful Italian villa, nestled in the stunning region of Le Marche, is the perfect place for families and friends to come together and enjoy la dolce vita. With every luxury you could wish for, you can relax, celebrate special moments and create unforgettable memories, far away from the rush of everyday life.

OUR STORY

Ruben spent the last 14 years in a commercial leadership role at an Italian family-owned cosmetics company (B Corp). He traveled the world, built valuable connections and truly enjoyed meeting new people. The company's pioneering role in sustainability strongly inspired him and it's where his love for Italian culture, the passion of its people, the food and the breathtaking nature began.

Glória has a background as a fashion stylist and a strong sense for design, styling and color. With her eye for detail and natural feeling for atmosphere, she knows exactly how to create a place that feels right warm, stylish and balanced. Her love for fashion and organization is reflected in every detail, making Villa Vittorio the place where everything comes together.

Together with our son Loué (6) and labradoodle Duttie, we have found our place here. A place that feels a little magical to us every single day. Villa Vittorio is not just a house to us, but an experience we love to share.

Whether you come for a relaxing holiday with family or friends, an inspiring retreat or an intimate wedding, everything is possible here. Whatever your plans may be, we hope you create memories that will last a lifetime.

A presto a Villa Vittorio,
Ruben, Glória & Loué

EFFORTLESS

Why Le Marche, Italy?

Le Marche is one of those places that quietly steals your heart, with rolling hills, charming villages, endless views, and a landscape still wonderfully untouched by mass tourism.

It has everything we love about Italy: the beauty, the food, the rhythm of life... but in a more authentic and relaxed way. No crowds, no rush, just space to breathe, explore, and truly connect.

Villa Vittorio is nestled in the hills near our beloved village of Massa Fermana, a place that feels both hidden and welcoming at the same time. It's the perfect setting to slow down, come together, and create something meaningful, whether that's a retreat, a special gathering, or simply time well spent.

This is Italy as we fell in love with it, and we can't wait to share it with you.
